

“Simplifying Regulation for Agents and Brokers...”

Modernizing Insurance Regulation and Enacting an Optional Federal Charter Will Benefit Insurance Consumers by:

- (1) Providing Licensure Reform
- (2) Increasing Speed to Market of Products
- (3) Implementing Free Market Pricing

When you Remove Two of the Three Legs of the Stool Consumers Lose

Support Bipartisan Legislation (S. 40 & H.R. 3200) to Provide Insurance Agents and Brokers ALL of the Tools They Need to Best Provide for Their Customers
